TRAINING NOTICE

Date: December 5, 2001
To: Training Officers
From: Matt Lawler, CSEMS Training Director
Re: **Basic Trauma Life Support class**

Basic Trauma Life Support is a hands-on training course offering BLS and ALS EMS personnel complete training in the skills necessary for rapid assessment, resuscitation, stabilization and transportation of trauma patients. The course is designed for providers who must initially evaluate and stabilize the trauma patient. For the advanced EMT, paramedic and trauma nurse, the primary objectives of the course are to teach the correct sequence of evaluation and the techniques of resuscitation and packaging a patient.

Date: January 19 – 20, 2002

Times: 8:00 AM to 5:00 PM both days

Location: Rockfish Valley Fire Department
Route 151
Afton, VA

Faculty: Wes Sparks, NREMT-P, Course Coordinator
J. Scott Just, M.D., Course Medical Director

Cost: \$135* per student if registered by January 17, 2002.
\$150* per student if registered after January 17, 2002.

Registration: To register, call (540) 886-3676.
You may also register on-line at the Central Shenandoah EMS Council web site (<http://www.csems.vaems.org>)
