Re: **CISM Basic Training Course**

## **Training Announcement Please Post**

CSEMS along with OEMS will be sponsoring a Critical Incident Stress Management Peer Course. This is a two-day course that prepares the participant for crisis intervention as a Peer provider on the team. We certainly encourage participants to become members of a CISM team upon completion, however this is not required. There are no prerequisites to take the course.

**The course will be held at Council office from 9am to 5pm on ~~October 19 and 20~~ **November 2 and 3**. Registration is required.**

**The cost of the course is \$20 per student. Lunch will be provided.**

Instructor to be announced.

You may register by calling the office or by our web site at [www.csems.vaems.org](http://www.csems.vaems.org)

Please feel free to contact the office if you have questions. Please consider taking advantage of this training in our region.
