TRAINING NOTICE

EMT Enhanced

Date: December 10, 2002
To: Training Officers
From: Matt Lawler, CSEMS Training Director
Re: **EMT-Enhanced Course**

*The **EMT-Enhanced: Virginia Standard Curriculum**, represents an entry level advanced care provider and can be used as either a terminal objective in itself or a transition to higher levels of education and/or certification at the EMT-Intermediate or EMT-Paramedic levels. This curriculum was developed as a sub-set of lessons from **the Emergency Medical Technician-Intermediate: National Standard Curriculum** and contains only lessons and didactic information also included in the EMT-Intermediate program. As a sub-set of the EMT-Intermediate program, **the EMT-Enhanced: Virginia Standard Curriculum** is designed to maintain consistency with national prehospital care guidelines, while meeting the specific needs of Virginia's EMS agencies and providers.*
