TRAINING NOTICE

Date: February 17, 2004
To: Training Officers
From: Matt Lawler, CSEMS Training Director
Re: **Cardiac Technician to Intermediate Transition Program**
Shock Trauma Technician to Enhanced Transition Program

The Cardiac Technician to Intermediate Transition Program and the Shock Trauma Technician to Enhanced Transition Program are programs of instruction that approach new or expanded topic areas of the respective curricula in a CE format. Much of this information was not covered in the Cardiac Technician or Shock Trauma Technician programs. The transition program assumes that the ALS provider has a thorough understanding of the objectives that are primarily taught in the Virginia Cardiac Technician and Shock Trauma Technician Curricula.
