To: Training Officers
From: Matt Lawler, CSEMS Training Director
Re: **Cardiac Technician to Intermediate Transition Program**

Cardiac to Intermediate

The Cardiac Technician to Intermediate Transition Program is a program of instruction that approaches new or expanded topic areas of the curriculum in a CE format. Much of this information was not covered in the Cardiac Technician program. The transition program assumes that the ALS provider has a thorough understanding of the objectives that are primarily taught in the Virginia Cardiac Technician Curriculum.

Location: Central Shenandoah EMS Council
2312 W. Beverley St., Staunton, VA

Dates: Starts: February 1, 2005
Ends: April 26, 2005*

Times: 9:00 AM to 12:00 PM, Tuesdays and Thursdays

Instructors: CSEMS Council Staff

Prerequisite: Current Virginia Cardiac Technician certification.

Cost: \$70 – Cost includes the Mosby EMT-Intermediate Text, 2nd Edition. Students are encouraged, but not required, to have a copy of the text. Cost is \$20 without text. Payment due no later than January 28, 2005.

Registration: Register on-line at the Central Shenandoah EMS Council web site (<http://www.csems.vaems.org/register>). You may also call (540) 886-3676 or 800-868-5646 to register.

Class size is limited to 30 students.

**** Your agency's EMS Physician may require you to take the state written examination.***
