Re: Spot Inspections by OEMS on April 13, 2005

It is a pleasure to announce that the following vehicles were inspected by Heather Phillips, OEMS Program Representative on April 13 and were found to be in complete compliance with all *Virginia EMS Regulations*:

- **Augusta Medical Center Rescue Units 805 and Van 812.**
- **Craigsville Augusta Springs Rescue Unit 166**
- **Staunton Augusta Rescue Squad Unit 55.**
- **Stuarts Draft Rescue Unit 61**
- **Waynesboro First Aid Crew Units 4 and 6.**

This is a positive accomplishment for the agencies that were inspected without notice and the region as a whole. The Council wishes to thank these agencies for operating at a high standard and for setting an example for all other agencies across the region and Commonwealth to duplicate.
