

# **Planning a Regional Response**

**The Northwest Hospital Emergency Medical Committee  
Invites you and your organization  
to a joint planning and education meeting**

**Thursday, October 13, 2005  
0900 - 1500**

**Sheraton Four Points, Harrisonburg, Va.  
Located at the intersection of Route 33 and Interstate 81  
Lunch is Provided**

## **Agenda Includes**

**Overview of each agency's planning and response**

**Development of a template for regional planning and  
possible joint grant initiatives**

**Chempack training with policies and procedure review**

**This meeting is critical to our regional response. It does not cost you or your organization to attend. In return you need to come prepared to share non proprietary information and work toward unifying agencies as we plan together to respond to all hazards.**

**By Oct. 7, please e-mail [tbt8k@virginia.edu](mailto:tbt8k@virginia.edu) the number of attendees from your organization.**

**Our strength is in standing together!**
