Re: **Spanish for EMS Providers**

*A local course in Spanish planned specifically for EMS providers; this is the fourth of five offerings of the course in the Central Shenandoah EMS Council region. The course will be designed to provide area EMS personnel with basic communication skills for the Spanish-speaking patient. Emphasis will be placed on proper pronunciation, basic medical terminology and questions, and basic interventions, which will allow providers to better assess their patients and document findings. Previous education in Spanish is not necessary!*
