TRAINING NOTICE

Date: November 13, 2007
To: Training Officers
From: Matt Lawler, CSEMS Assistant Director *Smf*
Re: **EMT-Enhanced Course**

The EMT-Enhanced: Virginia Standard Curriculum represents an entry level advanced care provider and can be used as either a terminal objective in itself or a transition to higher levels of education and/or certification at the EMT-Intermediate or EMT-Paramedic levels. This curriculum was developed as a sub-set of lessons from the Emergency Medical Technician-Intermediate: National Standard Curriculum and contains lessons and didactic information also included in the EMT-Intermediate program. As a sub-set of the EMT-Intermediate program, the EMT-Enhanced: Virginia Standard Curriculum is designed to maintain consistency with national prehospital care guidelines, while meeting the specific needs of Virginia's EMS agencies and providers.
